Documents to be presented for Board action with regard to agenda items may be inspected upon request at the office of the General Manager. Members of the Board of Directors and staff will gather for lunch and/or dinner before or after meetings and it is understood that there will be no briefing to, or formation of policy by, the Board of Directors or the taking of any action regarding any matter over which the Board has jurisdiction.

Public Comment at Board of Director Meetings:

1. A “Public Comment” time shall be included in the agenda of all regular Board of Directors meetings. Public comment will be accepted at the start of the meeting to allow for members of the public to raise issues and make comments. Members of the public may not be permitted to participate in the discussion of scheduled agenda items.

Public Comment time shall be limited to a maximum of 30 minutes, with each member of the public being allocated one opportunity to speak at the meeting for a time period of up to five minutes. If the number of members of the public wishing to comment warrants a reduction in the five-minute allotment, the Board President shall have the authority to limit comments. The President of the Board shall have the authority to extend the 30-minute maximum time for public comment should the President deem that to be in the best interests of the meeting.

Members of the public wishing to comment at any regular North Central Public Power District Board Meeting must state and sign in their name, and they will be expected to state the topic of their comments for documentation in the Board Meeting minutes.

Pursuant to the Nebraska Open Meetings Law, public comment about personnel will not be permitted, and the Board President has the prerogative to curtail any inappropriate public comment.

Pursuant to the Nebraska Open Meetings Law, no Board of Director action will be taken on any of the Public Comment issues at that meeting unless the Board determines it to be of an emergency nature.

Note: Any member of the public may request that a specific agenda item or items be added to the Board of Directors meeting agenda. To do so, the person should contact the General Manager or Board President at least 72 hours prior to the Board meeting to place that agenda request.
