

North Central Public Power District Cooling System Tune-Up Incentive Application - \$30

For more information contact Linda Sokol, Energy Advisor at North Central PPD (402-358-5112) linda.sokol@ncppd.net.

\$30 Incentives are available to customers who have their cooling system inspected and tuned-up by an HVAC contractor. Qualifying systems include residential central – air conditioners, air source and water source heat pumps that are served by North Central Public Power District. Even though the cooling system may be serviced or tuned-up frequently, the customer is only eligible to apply for the EnergyWise \$30 incentive a minimum of every three years.

Program started in April of 2009. In following years, check with North Central PPD for program status.
